## **Bloomington Library Assault Victim**

In April 2008, the high school senior, who was granted a full academic scholarship to the University of Florida, was raped, beaten and left to die outside of the Bloomington library. The victim can no longer walk, talk, see or eat on her own. She communicates through widening her eyes, smiling and clenching her fists. The victim requires around-the-clock care and attends daily physical, occupational and aquatic therapies to aid her slow recovery.
